

LIFEFORM[®]

ECLIPSE SERIES

Take a look at the Eclipse,
one of our most popular chairs.

Available with either a high-back or mid-back, the Eclipse is designed to provide a lifetime of maximum comfort. With a full complement of ergonomically adjustable features, the Eclipse provides a custom fit for people of all sizes, postures, and activities. Dream Weave 4-way stretch breathable upholstery is available in a wide range of colors to complement any décor.

Eclipse ergonomic features include:

- Seat height and depth adjustments
- Seat angle adjustment with forward tilt lockout
- Contour seat and arm pads with “Lifeoam” visco-elastic memory foam for maximum pressure relief
- Back height and angle adjustments
- Adjustable lumbar support
- Arm height and width adjustments and pivoting arm pads
