

LIFEFORM[®]

EXECUTIVE SERIES

Style without compromise.

The Lifeform Executive Chair delivers everything you expect; from superior quality and exceptional comfort to bold, timeless beauty.

The hallmarks of anything extraordinary reside in the fine details. In the Lifeform Executive Chair, these include soft and sumptuous leather, precise stitching, classic styling, and elegant options.

Built in are some striking advancements in the science of office ergonomics, designed to prevent and alleviate back pain, neck stiffness, shoulder tension and body fatigue.

Advanced ergonomic features include:

- Seat with height, depth and tilt angle adjustments
- Tilt tension control with forward tilt lockout
- Contour shaped back with height and back angle adjustments
- Schukra adjustable lumbar support
- Arm width and height adjustments with pivoting arm pads
- Waterfall seat and arm pads with visco-elastic “Lifofoam” for maximum pressure relief

Available options:

- Adjustable headrest
- Neck roll pillow (high back only)
- Wide color range in premium leather and fabric
- Silver base and trim
- Cherry finish wood base and trim
- Leather covered arms
